ECONOMY LASER CHECK PROGRAM

Our Economy Laser Check Program is designed to be economical and convenient for both distributors and printers. Our base checks are 8 1/2" x 11" on #24 Value Safety Paper, printed in black ink with up to 3 arabic positions and your choice of either top, middle, or bottom check positions (see above).

We offer 4 different backgrounds which are available in your choice of 1 of 5 different ink colors (see samples below) which also includes our standard Economy Endorsement Check Backer. Multi-part checks are also available in the standard White (#24), Canary (#20), Pink (#20) sequence.

All of our Economy Laser Checks include the Warning Border shown here (above) which reads:
"THIS CHECK HAS A COLORED PATTERN BACKGROUND AND CONTAINS SECURITY FEATURES WITHIN THE PAPER"

Our Economy Laser Checks also include our Standard Endorsement Backer, which lists the Security Features that are present within the document.
(see left & below)

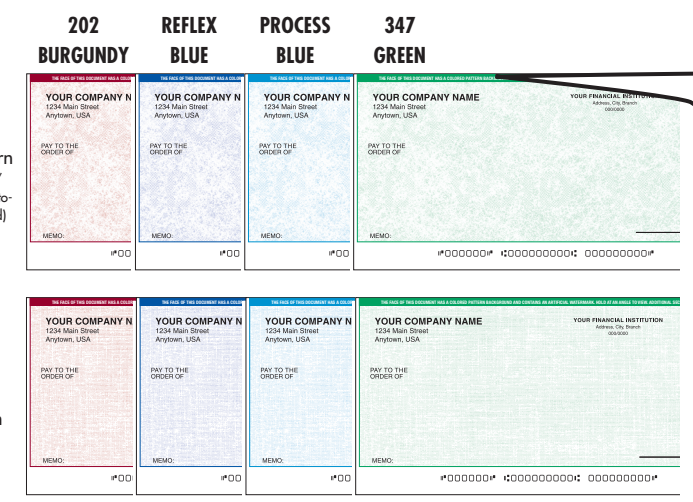

THIS DOCUMENT CONTAINS THE FOLLOWING SECURITY FEATURES:

- INVISIBLE FLUORESCENT FIBERS
- TWO SOLVENT STAINS
- BROWNSTAIN
- UV DULL

PREMIUM LASER CHECK PROGRAM

Our Premium Laser Check Program is designed to be both economical and convenient while taking the Security of the document to a higher level than is available in our Economy Program. Our Premium Laser Checks are 8 1/2" x 11" on #24 DocuCheck Ghost® Security Paper, printed in black ink with up to 3 arabic positions and your choice of either top, middle, or bottom check positions (see above, left).

We offer 2 different backgrounds which are available in your choice of 1 of 4 different ink colors (see samples below) which also includes our standard Premium Endorsement Check Backer. Multi-part checks are also available in the standard White (#24), Canary (#20), Pink (#20) sequence.

All of our Premium Laser Checks include the Warning Border, shown here (above) which reads:
"THE FACE OF THIS DOCUMENT HAS A COLORED PATTERN BACKGROUND AND CONTAINS AN ARTIFICIAL WATERMARK. HOLD AT AN ANGLE TO VIEW. ADDITIONAL SECURITY FEATURES ARE PRESENT WITHIN THE PAPER. DETAILS ON BACK."

Our Premium Laser Checks also include our Premium Endorsement Backer, which lists the many additional Security Features that are present within the document.
(see left & below)

Our Premium Laser Checks are printed on DocuCheck Ghost® Security Paper. Through its distinct printed watermark, DocuCheck Ghost® provides an upgraded protection vs. entry-level products. The printed watermark, when combined with invisible fibers, 3 indicator stains and TonerFuse® II, provides a sustained solution for a variety of secure applications.

Our Premium Endorsement Backer features Micro-Printing under the endorsement area, near the middle area of the backer, and around the security features box near the bottom. Micro-Printing is small type that appears blurred or as dashes when photocopied or scanned.

The security features listed below, as well as those not listed, exceed industry guidelines. Absence of these features may indicate alteration.

Security Features:	Results of document alteration:
Security Screen:	Absence of "ORIGINAL DOCUMENT" language on back of check.
Micro-Printing - "MP":	Small type under endorsement area and surrounding.
Chemically Sensitive Paper:	Security box appears blurred if copied or scanned.
Fluorescent Fibers:	Appearance of brown and/or blue stains may indicate alterations.
Watermark:	Invisible unless exposed to ultraviolet light.
	Absence indicates alteration.
